Dear Donor,

Each year in August, PLYC hosts The Charity Bay Race, followed with an Open House, Membership Drive and Charity Raffle. All proceeds generated by this year's August 15th event will benefit a new local charity, *Challenged Sailors San Diego* (www.challengedsailors.org). Last year's Raffle raised over \$1,000 for a similar cause.

Last year, you and Sailing Supply made a generous contribution for the Silent Auction and Charity Raffle, which was greatly appreciated! Can we count on you for this same donation again this year? In addition to supporting a great cause, it is tax deductible (PLYC tax ID number 33-0603858, date incorporated 02/24/94) and would offer great publicity for your business.

Thanks again for your continued support.
